(909) 383-4631

UPDATE

TWO BRIDGE PROJECTS UNDERWAY IN CHINO, CA

San Bernardino - The California Department of Transportation (Caltrans) advises motorists that two projects are currently underway in Chino, CA.

The onramp for southbound SR71 at Chino Avenue will be closed from 9 PM to 6AM, from now until mid December 2005 to accommodate a bridge maintenance and restoration project. Traffic is advised to use an alternate freeway ramp to access southbound SR71 after 9PM at night.

State Route 83 (Euclid Avenue) is closed between Pomona-Rincon Road and the entrance to Prado Regional Park in order to demolish and rebuild the bridge at this location. Local residences and businesses south of Pomona-Rincon Road will have access from SR71. Motorists wishing to access Euclid Avenue north of the long-term closure are advised to exit Central Avenue.

Caltrans would like to thank motorists for their patience during these projects and remind drivers to **SLOW FOR THE CONE ZONE**.
